

Outreach Team

Last Outreach Event was the Central Texas State Fair

- o We had around 21 Volunteers along with 10 VDR's throughout the 4 day event
- o 6 people signed up that were interested in either the Elections or Volunteering
- o There was 7 people that registered to vote
- o We had giveaway items and mini tote bags that had information in them regarding the Bell County GOP and the different conservative clubs within the area

The issue that I had regarding this fair was that vendors were not notified that the Fair Rides would not open till later in the day due to excessive heat. This did show with the foot traffic which was low before 5 p.m. other than that, I believe it was a successful event. We will request a corner booth in the main building for next year. At the time for this registration, there were none available, so we had to work with what we were given.

Next Outreach Event

Belton Market Days

Nov. 18th

9 a.m. to 4 p.m.

Location: McWha Bookstore

Need Volunteers and VDR's for this event. We have 2 hour shifts available
