Report Topic: Central Texas State Fair

Starting on August 31, 2023, we will have one of our biggest Outreach Projects this year. We will have a 10x10 indoor vendor space at the Central Texas State Fair.

This event will be a four-day event. Several Volunteers have signed up for this event to operate the booth and engage with voters. We are introducing our main event table here at the CEC meeting. This table is a 6ft table with a black fitted tablecloth with a designed table scarf that has the Bell County Logo and also the QR code that people can scan, and it will take them straight to the Bell County Republican Partys website. The table will have bins of giveaway items that were purchased by individual donors of the Party.

We are in the last couple of weeks of this event, and we still have volunteer openings available if you would like to sign up to operate the booth. Please contact Christy Wilbanks for more information.

Thank you
