Date: October 11, 2022

Submitted by: Christy Wilbanks

### 1. Summary of Progress:

- a. We have our Drive Bin Check-Out up and going. Voter Registration and Republican Campaign Drive Bins. Contact Christy Wilbanks for scheduling a Drive Bin for your event
- b. During the month we have had several people organize Voter Registration Drives in Bell County which we are seeing Outstanding results: Most recent were
  - i. Marlene Druce held a VR Drive at the Harker Heights Library
  - ii. Brenda and Jeff Howard have been holding V.R. at their Church, Crossroads on Sundays this month which there are 3 services on Sunday
  - iii. Janet Brown held a VR Drive MPR National Night Out, Trinity Church in Temple, arranged by The Temple Aglow Bible Study Group
  - iv. Janet Brown and Christy Wilbanks held a V.R. Drive at the Garden Estates in Temple which is a Retirement facility on Saturday, Oct. 8th

### 2. Activities, Campaign and Upcoming V.R. Drives:

- a. V.R. would like to announce a new Campaign that we will be starting, it's called "No Voter Left Behind"
  - i. The reason for this campaign: When Janet and I went to the Garden Estates on Saturday to hold a V.R. Drive event, we noticed that several residents had many questions, needed a change of address, and needed the forms for requesting a "Ballot by Mail" The Mature Voter demographics are sadly being left behind when it comes to updating and requesting the items they are needing. This campaign will allow us to go into Retirement Facilities and meet the voters, answer

questions, and help them with any changes or getting the forms that they need.

- ii. Time Frame: V.R. will go out every 3 to 6 months to these facilities
- iii. The future: By doing this, hopefully this could go into an outreach to homebound voters, through friend, church, and organization referrals

b. Brenda Howard of the Salado Area Republican Women said they will be holding VR Drives on the following dates and locations:
